For Mare Owner wishing to breed their mare onsite at Santolina Farms please contact Jack Farmer directly at (480) 251-8600. Onsite mare care remains outside the scope of this agreement.

For external breedings the Mare Owner agrees to assume responsibility for all facets of breeding the Mare and agrees to comply with all breed registry requirements concerning the use and handling of cooled or frozen semen. The Breeder agrees to ship semen to the location designated by the Mare Owner, but Mare Owner agrees and certifies that only a qualified and experienced person in the use and handling of transported semen and who practices equine reproduction as a regular part of his/her practice will perform the insemination. Mare Owner agrees to use all the semen provided by this Agreement **solely** to breed the Mare named in this Agreement. If multiple shipments of semen are requested, Stallion Owner and/or Breeder reserve the right to request a negative uterine culture, cytology or biopsy prior to sending further shipments.

If the mare dies or is deemed unfit to breed during the breeding season, a substitute mare, approved by the Stallion Owner, may be bred without any additional breeding fees.

Mares will not be put on the Stallion Breeding Report unless all fees have been paid in full and the breeding dates and pregnancy status have been provided to the Stallion Owner. Late notification may result in additional fees at Mare Owner's expense to be put on the breeding report. It is the Mare Owner's responsibility to contact the Stallion Owner with Breeding Dates and Pregnancy Status.

4. **SHIPMENT:** Semen orders must be placed 24 hours prior to shipment date. Confirmation or cancellation of the order must be done by 8.00 am MST of the day of collection. A shipment may be cancelled by 8.00 am MST without incurring any fee penalties. Mare Owner agrees to pay for shipments cancelled following preparation and/or shipment. Collection days are between February 1 and June 30th on MONDAYS, TUESDAYS, WEDNESDAYS, THURSDAYS and FRIDAYS.

5. **MULTIPLE FOALS:** The payments provided in paragraph 2 are for one single foal for this breeding season. Should more than one embryo or foal result from a breeding, Mare Owner shall pay an additional Breeding Fee for each additional embryo or resulting foal. No breeding certificate for any foal shall be issued without such additional payment.
6. **WARRANTY :** The use of cooled semen has no warranty or guarantee, expressed or implied. There is no guarantee of semen delivery within a certain time period, nor is the quality of the semen at arrival given. Breeder and Stallion Owner shall not be responsible for any costs arising from shipments lost, damaged or delayed in transit, or the condition of the cooled shipped semen upon delivery as we have no control of the shipment after it leaves our custody. We will always do our best to send two doses of semen.
7. **LIVE FOAL GUARANTEE:** There is no color guarantee offered or implied in this contract. This contract between the Mare Owner and the Stallion Owner for the above-named mare is non-transferable and provides for one return breeding in the succeeding year only, for the mare (or agreed upon substitute) that fails to produce a single live foal (newborn foal that stands and nurses without assistance and lives for twenty-four (24) hours). In the case of a miscarriage, stillborn foal, or death of mare after having been pronounced in foal, Mare Owner will provide Stallion Owner with written confirmation from a licensed veterinarian stating the cause of death within 14 days. Rebreed services will require shipping fees only. If the mare owner fails to rebreed the mare during the following breeding year, then any and all fees become forfeited and the right to rebreed is cancelled and the Stallion Owner is released from all further obligation of this contract, unless otherwise agreed upon in writing and signed by both parties.
8. If the Stallion should die, or be sold by the Stallion Owner, or become unfit for service prior to the mare being in foal, then this Agreement becomes null and void and the breeding fee shall be returned, less all expenses incurred to date.
9. The parties hereto specifically agree that if a dispute between the Mare Owner and the Stallion Owner or Breeder arises, Mare Owner's damages, expenses, costs and fees including attorneys' fees for such dispute, whatever the nature of the dispute, shall be limited to an amount equal to the breeding fee specified herein. Should it become necessary for the Stallion Owner to employ an attorney to enforce any of terms of this Agreement, including collection of money owed, Mare Owner shall pay all attorney fees, paralegal fees, accountant fees and any other costs or expenses incurred by the Stallion Owner. This agreement shall be governed by the laws of the State of Arizona and shall be binding upon the heirs, personal representatives, successors, agents and permitted assigns of the parties.
